

PTP unit heaters can have manual or automatic operation and use natural or propane gas.

BRING VALUE TO YOUR GREENHOUSE WITH A MODINE HEATER.

Introducing the new power vented, PTP unit heater line. It was designed specifically with the greenhouse owner in mind to provide high value at a reasonable cost. Backed by Modine's nearly 100 years of pioneering HVAC innovation, the horizontal mounted PTP delivers 82% thermal efficiency in a small-business-friendly package.

Protect your plants and your bottom line all year long with Modine, the trusted leader in greenhouse climate control.

Propeller Unit Model PTP General Performance Data

	Model PTP Sizes						
	150	175	200	250	300	350	400
BTU/Hr Input ¹	150,000	175,000	200,000	250,000	300,000	350,000	400,000
BTU/Hr Output ¹	123,000	143,500	164,000	205,000	246,000	287,000	328,000
Max. Mounting Height (Ft.) ²	15	14	15	18	19	18	21
Heat Throw (Ft.) (@Max MtgHt) ²	51	50	53	62	69	65	74

¹ Ratings shown are for elevations up to 2,000 ft. For elevations above 2,000 feet, ratings should be reduced at the rate of 4% for each 1,000 feet above sea level. (In Canada see rating plate.) Reduction of ratings requires use of a high altitude kit.

² Data taken at 55°F air temperature rise. At 65°F ambient and unit fired at full-rated input. Mounting height as measured from bottom of unit, and without deflector hoods.

BENEFITS OF THE PTP LINE INCLUDE:

- Stainless steel heat exchanger comes STANDARD on all units to withstand corrosive combustion air found inside a greenhouse, extending the life of your investment
- 10-year heat exchanger warranty is STANDARD, providing you peace of mind
- **Constructed with** Modine's proven tubular heat exchanger design
- Installs quickly and easily with field wiring connections and knockouts for quick access to gas and electricity
- Standard power exhaust simplifies side-wall or roof venting with small diameter vent pipe
- Permanently-lubricated motor for trouble-free dependability
- Optional finger-proof fan guard for low mounting height applications
- Made in the USA
